ABOUT

I am Kane Justine A. Cometa, a graduating Computer Science student from Mapúa Malayan Colleges Laguna with solid academic performance and hands-on experience in full-stack web development, data engineering, and user-centric software design. Interested in building end-to-end applications, collaborating in Agile teams, and communicating technical solutions. Eager to bring technical proficiency and creativity to a forward-thinking development team.

TECHNICAL SKILLS

Web Development
UI/UX Design
Front End Development
Data Management

Python, Flask, Fast API
HTML, CSS, JavaScript
React, Node.js, Material UI
SQL, PostgreSQL, MySQL

Agile Project Management
Git, GitHub
Figma (Wireframing)
